

Scientific Federation

Materials Science-2018

(4th Global Congress & Expo on Materials Science and Nanoscience)

October 15-17, 2018 | Amsterdam

Call for papers

Group Discounts Available

Plenary Speakers Forum

Zhong Lin Wang
Georgia Institute of Technology, USA

Ben Zhong TANG
The Hong Kong University of Science and Technology, Hong Kong

Helmut Cölfen
University of Konstanz, Germany

Keynote Speakers Forum

Ullrich Scherf
Deputy Director Institute of Polymer Technology, Germany

Ze Xiang SHEN
Program Chair, Co-Director, Nanyang Technological University, Singapore

Masatomo Yashima
Tokyo Institute of Technology, Japan

Horst Weller
Universität Hamburg, Germany

Christoph J. Brabec
Friedrich Alexander University Erlangen-Nürnberg, Germany

Jae-Jin Shim
Yeungnam University, South Korea

Wallace Woon-Fong LEUNG
Hong Kong Polytechnic University, Hong Kong

Mohammad Khaja Nazeeruddin
EPFL, Switzerland

Hee-Je Kim
Pusan National University, South Korea

Manoj Gupta
National University of Singapore, Singapore

Scientific Sessions

- Metamaterials for Optic & Optoelectronic applications
- Nanomagnetism & Magneto-optical nanomaterials
- Photonic & Plasmonic Nanomaterials
- Materials Science & Engineering
- Energy Materials and Semiconductors
- Mining and Metallurgy
- Surface Science and Engineering
- Biomaterials and Tissue Engineering
- Materials Chemistry and Sustainable Chemistry
- Biophysics and Systems Biology
- Electronic, Optical and Magnetic Materials
- Advances in Instrumentation Technology
- Polymer Science and Materials
- Emerging Areas of Materials Science
- Composite Materials
- Big data in Materials Science
- Nanomaterials and Nanocomposites
- Advances in Nano Materials Science
- Carbon Nanomaterials
- Advances in Dielectric Materials and Electronic Devices
- Nanomedical Approaches for Diagnostics and Treatments
- Nanomedicine and Biomedical Engineering
- Photonics
- Graphene Materials and Technologies
- Industrial Coating Materials
- Ceramic Materials
- Materials Processing & Manufacturing
- Functional Materials: Properties & Applications

Important Dates

Abstract Submissions Dead Line

August 15, 2018

Earlybird Registration on/before

January 25, 2018

Standard Registration on/before

March 15, 2018

On Spot Registration on

October 15, 2018

Registration Fee

Speaker Registration

\$699

Poster Registration

\$399

Delegate Registration

\$599

Student Delegate

\$299

Paper Submissions

Each paper/abstract is expected to present at the conference, the presentation type (oral presentation or poster presentation) should be mentioned in the note form at the submission system while submitting the paper/abstract.

The total allotted time is as follow: (Tentative)

Plenary Speeches 40min + 3-5min of Q&A

Keynote Speeches 30min + 3-5min of Q&A

Invited Speeches 25min + 3-5min of Q&A

Regular Speeches 20min + 3-5min of Q&A

Venue

Amsterdam, Netherlands

* Note: Location will updated soon
