3rd World Congress and Expo on

**Immunology**

October 18-20, 2018 | Amsterdam, Netherlands

**Innovations and Novel Approaches in Immunology and Immune Systems**
Dear All,

Scientific Federation creates an opportunity for all the participants from all over the world to attend 3rd World Congress and Expo on Immunology (Immunology Congress -2018), October18-20, 2018 at Amsterdam, Netherlands which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

Immunology Congress -2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry.

Immunology Congress-2018 is anticipating participants from 40 and more countries across the globe and the two day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides three days of robust discussions on recent advancements and new strategies for current revolutions in immunology.

Our pleasure to meet you in upcoming event…!!!

We make sure to support and motivate 'Young Researchers' by:

- Establishing their academic and professional relationships.
- Improving their morale and confidence of presenting research in an international platform.
- Interacting with expertise in their respective departments.
- Clearing your inhibitions of adjusting to the foreign environment.
- Providing a holistic experience of academic tourism.

Welcome Message

Conference Objectives

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in immunology research.
- To identify research and practice based innovations in optimizing immunology research and development.
- To debate gaps and priorities for sustainable development in optimizing immunology research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Immunology research and development reforms.
- To identify opportunities for evidence-based practice in optimizing immunology research and development.

We look forward to seeing you in Amsterdam, Netherlands…!!!

Best Regards,

Immunology Congress-2018 Organizing Committee
Scientific Sessions

Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Immunology which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts.

Cancer & Tumor Oncology
