Welcome Message

Dear All,

Scientific Federation invites all the participants from all over the world to attend **International Congress on Urban and Civil Engineering** during **October 22-23, 2018 at Prague, Czech Republic** which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

ICUCE-2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry.

ICUCE-2018 is anticipating participants from 40 and more countries across the globe and the three day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides three days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

Our pleasure to meet you in upcoming event...!!!

Young Researchers Opportunity:

We make sure to support and motivate 'Young Researchers' by:

- Establishing their academic and professional relationships.
- Improving their morale and confidence of presenting research in an international platform.
- Interacting with expertise in their respective departments.
- Clearing your inhibitions of adjusting to the foreign environment.
- Providing a holistic experience of academic tourism.

Our pleasure to meet you in upcoming event...!!!

Best Regards
Conference Organizing Committee

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Urban and Civil Engineering which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at ICUCE-2018. We request you to submit a brief idea or abstract of your talk/presentation/symposium/workshop according to your session interest.

- Municipal regeneration and sustainability
- General scope of urban regeneration
- Planning, development and management
- The community and the city
- Urban strategies
- Architectural issues
- Cultural heritage issues
- Landscape planning and design
- Urbanization of rural areas
- Environmental management
- Sustainable energy and the city
- Transportation
- Waste management and Intelligent environments
- Quality of life
- Infrastructures and social services
- Sustainable urban tourism
- Planning for risk and natural hazards
- Case studies

For Abstracts Submission:

Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Organizing Committee Members

Sorin Codrut Florut
Polytechnic University of Timisoara,
Romania

Ali Akbar Nezhad
University of New South Wales,
Australia

Aly Mousaad Aly
Louisiana State University, USA

Kamal Jain
Indian Institute of Technology, india

Jui-Sheng Chou
National Taiwan University of Science
and Technology, Taiwan

D.J. Clements
University of reading, UK

Togay Ozbakkaloglu
The University of Adelaide, Australia

Mohamed Osmani
Loughborough university, UK

T. I. ELDHO
Indian Institute of Technology Bombay,
india

Angela Connelly
The University of Manchester, UK

Glimpses of Previous Conferences

About Prague

Prague, capital city of the Czech Republic, is bisected by the Vltava River. Nicknamed “the City of a Hundred Spires,” it’s known for its Old Town Square, the heart of its historic core, with colorful baroque buildings, Gothic churches and the medieval Astronomical Clock, which gives an animated hourly show. Completed in 1402, pedestrian Charles Bridge is lined with statues of Catholic saints.

Prague is home to a number of famous cultural attractions, many of which survived the violence and destruction of 20th-century Europe. Main attractions include the Prague Castle, the Charles Bridge, Old Town Square with the Prague astronomical clock, the Jewish Quarter, Petřín hill and Vyšehrad. Since 1992, the extensive historic centre of Prague has been included in the UNESCO list of World Heritage Sites.

The city has more than ten major museums, along with numerous theatres, galleries, cinemas and other historical exhibits. An extensive modern public transportation system connects the city. Also, it is home to a wide range of public and private schools, including Charles University in Prague, the oldest university in Central Europe.

Important Dates

Abstract Submission Opens: November 20, 2017

Registration Opens: November 30, 2017

Earlybird Registration: April 27, 2018

On Spot Registration: October 22, 2018

Venue

Corinthia Hotel Prague
Kongresovň 1655/1, 140 69 Praha 4-Nusle,
Czechia, Prague, Czech Republic
