## Welcome Message

Dear All,

Scientific Federation like to take this opportunity to welcome all of you to **5th World Congress and Expo on Oncology & Radiology** which is to be held during **December 06–08, 2018 Valencia, Spain.**

The conference will provide researchers, scientists, clinicians, professors, Young Researchers and students with an overview of technological achievements in the field of advanced Radiotherapy techniques and of their potential future therapeutic benefits, as well as with a summary of progress made modification of tumour and normal tissue responses. Also, the proceedings of the conference will document the impact of new technological and biological tools in current clinical practice and the likely future integration of the knowledge and tools in radiotherapy, preferably using clinical trials as a suitable matrix for providing robust data for future clinical implementation. A review of the effectiveness and limitations of the current quality assurance programmes will be completed and new innovative processes will be disseminated.

### **CONFERENCE OBJECTIVES:**

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in oncology and radiology.
- To discuss Advances in Radiology in the Multidisciplinary Management of Oncology.
- To identify research and practice-based innovations in optimizing Cancer by radiation therapy.
- To debate gaps and priorities for sustainable development in oncology and radiology.
- To discuss and debate the challenges and opportunities in the new era of oncology and radiology.
- To identify opportunities for evidence-based practice in oncology and radiology.
- To examine strategies for transformational change in Oncology and Radiology.

**Our pleasure to meet you in upcoming event...!!!**

**Best Regards**  
Conference Organizing Committee

## *About Valencia*

Valencia, the name itself brings up the images of sun, oranges and sand. The third-largest city is a magnificent place, content for Madrid and Barcelona to grab the headlines while it gets on with being a wonderfully liveable city with thriving cultural, eating and nightlife scenes. . Valencia is Spain's third largest metropolitan area, with a population ranging from 1.7 to 2.5 million. The city is situated on the banks of the Turia, on the east coast of the Iberian Peninsula, fronting the Gulf of Valencia on the Mediterranean Sea. Its historic centre is one of the largest in Spain, with approximately 169 hectares; this heritage of ancient monuments, views and cultural attractions makes Valencia one of the country's most popular tourist destinations.

Valencia is a bilingual city. Valencian and Spanish are the two official languages Valencia is a perfect place to live and be outside enjoying the River Gardens, sitting at a caf or exploring the mountains and fields that surround the city. It is located at the Mediterranean sea, and you will find beaches right in the very heart of it. During the summer-months it is heavily visited by tourists, at the beach, with fantastic possibilities for any kind of sports (golf, diving, cycling, tennis, etc. are all very popular here) and a boiling nightlife, together with an ample cultural offer.
