Welcome Message

Dear All,

Scientific Federation invites all the participants from all over the world to attend 4th International Conference & Expo on Biotechnology and Genetic Engineering during September 24–25, 2018 at Madrid, Spain which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

ICEBGE-2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry.

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Biotechnology and Genetic Engineering research and development.
- To identify research and practice based innovations in optimizing Biotechnology and Genetic Engineering research and development.
- To debate gaps and priorities for sustainable development in optimizing Biotechnology and Genetic Engineering research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Biotechnology and Genetic Engineering research reforms.
- To identify opportunities for evidence-based practice in optimizing Biotechnology and Genetic Engineering research and development.

Our pleasure to meet you in upcoming event...!!!

Best Regards
Conference Organizing Committee

Organizing Committee Members

Gopinathan Chengalath
University of Calicut,
India

Sergey Suchkov
Sechenov University, Russian
Federation

T. Theivasanthi
Kalashnikov University, India

ALI FOULADKAR
Univ. Grenoble Alpes,
France

Abd El-Latif Hesham
Assiut University, Egypt

Ayoub Bazzaz
University of Kerkuk, Iraq

B. Sharma
University of Allahabad
Allahabad-U.P, India

Shailendra Kumar Tiwari
State Forest Research Institute
India

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Biotechnology and Genetic Engineering which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at ICEBGE-2018. We request you to submit a brief idea or abstract of your talk/presentation/symposium/workshop according to your session interest.

- Genetic Engineering
- Genetic Modification
- Molecular Docking and Computational Evolutionary Biology
- Applications of Genomics
- Genome Analysis
- Genetic Engineering Techniques
- Machine Learning In Molecular Systems Biology
- Current Challenges in Modelling Cellular Metabolism
- Plant Biotechnology, Plant Genetics and Its Developments
- Cancer Genomics
- Functional Genomics
- Next Generation Sequencing
- Molecular Biotechnology
- Nutrition and Food Biotechnology
- Neuro Biotechnology
- Biochemistry and Cellular Biotechnology
- Environmental Biotechnology
- Cancer Biotechnology
- Aquaculture and Marine Biotechnology
- Agriculture Biotechnology
- Nano Biotechnology
- Biotechnology and Drug Design
- Bioinformatics

For Abstracts Submission:

<http://scientificfederation.com/biotechnology-genetic-engineering-2018/abstract-submission.php> Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Glimpses of Previous Conferences

About Madrid

Madrid, the capital of Spain, is a cosmopolitan city that combines the most modern infrastructures and the status as an economic, financial, administrative and service centre, with a large cultural and artistic heritage, a legacy of centuries of exciting history.

Strategically located in the geographic centre of the Iberian Peninsula at an altitude of 646 m above sea level, Madrid has one of the most important historic centres of all the great European cities. This heritage merges seamlessly with the city's modern and convenient infrastructures, a wide-ranging offer of accommodation and services, and all the latest state-of-the-art technologies in audiovisual and communications media. These conditions, together with all the drive of a dynamic and open society –as well as high-spirited and friendly– have made this metropolis one of the great capitals of the Western world.

It has been populated since the Lower Palaeolithic era, although it was not until 1561 that King Philip II made Madrid the capital city of his vast empire. The historic centre, also known as the “Madrid of Los Austrias” (in reference to the Hapsburg monarchs), and the spectacular Plaza Mayor square –inaugurated in 1620 and one of the most popular and typical sites in Spain– are a living example of the nascent splendour of the city in the 16th and 17th centuries.

Important Dates

Abstract Submission Opens: August, 25, 2017

Registration opens: August, 25, 2017

Early bird registration: May 25, 2018

On spot registration: September 24, 2018

Venue

Hotel Crowne Plaza Madrid Airport Calle de Lola Flores, 1, 28022 Madrid, Spain
