Welcome Message

On behalf of Organizing Committee and Advisory Committee we welcome you to attend 4th World Congress and Expo on Pharmaceutics and Drug Delivery Systems conference (Pharmaceutics-2019) which is going to be held in Milan, Italy during March 25-26, 2019. Pharmaceutics-2019 brings upon a new platform to share and discuss all the innovations in the pharma market research.

4th edition of Pharmaceutics and Drug Delivery Systems conference is now an established event, attracting global participant’s intent on sharing, exchanging and exploring new avenues of pharmaceutics field and related research and latest developments. The event will have 5-6 world level (Highly cited class) Plenary speakers, established Keynote speakers, active Invited speakers and fresh contributed speakers. In addition, variety of poster presentations along with workshops and special sessions would be interested in audience.

About Conference:

Pharmaceutics-2019 conference brings together a unique and International mix of large & medium Pharmaceutical industries/companies, leading top universities, research institutions building the conference a perfect podium to share their experience, foster collaborations across industry and academia, to evaluate emerging technologies across the globe. It is a good stage to brainstorm, discover new ideas, and look for new skills and a platform to point out your capabilities and discoveries to the planet.

Abstract Submission Starts: February 01, 2018
Abstract Submission Deadline: December 28, 2018
Standard Registration Deadline: December 28, 2018
Participations @ Conference

♦ Speaker Participation
♦ Workshop Participation
♦ Poster Presentations
♦ Symposium’s
♦ Exhibitors Booth and Stalls
♦ Sponsorship
♦ E-Video Participation

Who Can Attend:

• Directors, CEO’s of Organizations Research Scholars and Specialists
• Students, Professors, Researchers, and Faculty of Pharmaceutical Sciences from Universities and Colleges
• Pharmaceutical Associations and Societies
• Healthcare Professionals
• Researchers from Pharmaceutical Companies, Pharmaceutical Associations and Societies
• PhD Scholars
• Delegates from Various Industries
• Medical Devices Manufacturing Companies, CRO

Sessions:

→ Pharmaceutical Technology
→ Drug Targeting and Design
→ Nanotechnology in Drug Delivery Systems
→ Drug discovery and Medicinal Chemistry
→ Vaccine Drug Delivery Systems
→ Current Issues of Pharmaceutics
→ Management of QA/QC in Pharmaceutical Industry
→ Medical Devices for Drug Delivery

→ Physical Pharmacy
→ Pharmacology and Pharmacy Practice
→ Industrial Pharmacy and Pharmacognosy
→ Pharmacy Business and Market
→ Pharmacovigilance and Drug Safety
→ Formulation Technologies
→ Pharmaceutical Research
→ Physiological Considerations of Drug Delivery
→ Biodrugs, Biomolecules and Therapeutics
→ Bioavailability and Bioequivalence
Organizing Committee Members

Sunil S. Jambhekar
LECOM School of Pharmacy
USA

Carmela Saturnino
University of Basilicata
Italy

Aruna Dontabhaktuni
PharmaPro Consulting
USA

Hajime Hirao
City University of Hong Kong
China

Plenary Speakers

Mohsen I. Afouna
Al-Azhar University, Egypt

Amr Amin
UAE University, UAE

Eneida de Paula
University of Campinas, Brazil

Esra Küpeli Akkol
Gazi University, Turkey

Keynote Speakers

Sergey Suchkov
I.M.Sechenov First Moscow State Medical University, Russia

Amal Ali Elkordy
University of Sunderland
UK

Fabio Geremia
CTP System, Akka Life Sciences
Italy

Jason T McConville
The University of New Mexico
USA
Milan is capital of the Lombardy region and the most populous metropolitan area and the second most populous commune in Italy. Milan is the main industrial and financial centre of Italy. It is the hub of fashion and design in Europe. It is a magnetic and idyllic place for designers, artists, photographers and models. Milan has an ancient city centre with magnificent and splendid buildings and palatial buildings, which is why so many people from all over the world want to see the city of glamour. Milan has always been the centre of attraction for its beauty and has attracted tourists from all over the world. It has always been a place full of various famous artists and offers a particular assortment of churches, buildings and monuments. It is the centre of many financial activities and is the breeding ground for the investors and entrepreneur. It is the biggest industrial city of Italy with many different industrial sectors as manufacturing of textiles and clothing, car manufactory, chemistry, mechanical tools and heavy machinery. Festival of Saint Ambrogio is one of the most celebrated festivals in the Milan. Milan has a humid subtropical climate with hot sultry summers and cold winters.
