## About Dubai

Dazzling city Dubai has been called the fastest-growing city in the world. It is a place where no shortage of tall buildings, but one in particular that stands out intended is the Burj Khalifa , the world's tallest building, rising 2,716.5 feet into the sky. Here you'll find glitzy, glamorous gold in shop after shop.

It's an anomaly as well as a city of the most expensive, and most outrageous. It has plenty of green spaces despite being in the desert you'll find the usual amenities like movie theaters and arcades, and you'll also discover several over-the-top attractions a fashion avenue with a home for nearly every major iconic brand in the world. It stands as the most magnificent and most expensive hotel in the world, with every amenity imaginable, including private butlers. Dubai's Palm Island is famous for being the world's largest man-made island with green hands.
