Professor of Medicine,  
Endocrinology & Nutrition

## About Nice

Nice has a cosmopolitan Riviera vibe, and Participants can enjoy exploring its fashionable boutiques and restaurants and sunning yourself on its popular beaches. Walk up to Castle Hill for a beautiful view of the city, the Bay of Angels and of course, the bright blue water that gave the Cote d'Azur its name. Nice has a long history of tourism, both in summer and winter, and it is one of the city's principal economic activities. Apart from the beaches and yachting harbor, tourism is stimulated by nice cultural facilities, shops, and architectural heritage business tourism is also of considerable importance, based on the Acropolis Congress Centre and associated exhibition halls. In addition, numerous events and festivals are organized each year, notably the Carnival of Nice, which dates from 1873, but also including the open tennis tournament.
