## Welcome Message

Dear All,

Scientific Federation welcomes you to attend the **3rd World Conference and Exhibition on Forensic Science** during **June 03-04, 2019** at **Berlin, Germany** which will bring together world leaders in their respective fields in the fascinating environment of Berlin, Germany.

Forensic Science 2019 anticipates more than 200 participants around the globe with thought provoking plenary lectures, keynote lectures, Oral Presentations and Poster Presentations, and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. Forensic Science is the key to solving crimes all over the world. It is the application of a broad spectrum of sciences to answer questions of interest to the legal system. Forensic science uses highly developed technologies to uncover scientific evidence in a variety of fields. We do expect this conference will be an opportunity to meet and gather with colleagues from different countries and other parts of Germany.

The aim of the Forensic Science 2019 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists by bringing together again the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Forensic Science.

### Conference Objectives:

We make sure to support and motivate 'Young Researchers' by:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Forensic Science research.
- To identify research and practice based innovations in optimizing Forensic Science.
- To debate gaps and priorities for sustainable development in optimizing Forensic Science.
- To discuss and debate the challenges and opportunities in the new era of optimizing Forensic Science reforms.
- To identify opportunities for evidence-based practice in Forensic Science field.

**We are looking forward to seeing you at Forensic Science-2019 in Berlin, Germany**

**Best Regards**

Forensic Science Organizing Committee

## Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the fields of Forensic Science which brings well versed scrutinizers at one place.

- Forensic Psychiatry
- Forensic Medicine
- Forensic Investigation
- Digital Forensic
- Forensic Chemistry
- Forensic Engineering
- Forensic DNA Analysis
- Forensic Odontology
- Forensic Anthropology
- Forensic Toxicology
- Fingerprint Analysis
- Forensic Pathology
- Forensic Firearm
- Forensic Entomology
- Forensic Nursing
- Forensic Epidemiology
- Forensic Age Estimation
- Forensic Dactyloscopy
- Victimology
- Cyber Security
- Mobile Device Forensics
- Wildlife Forensic Science
- Criminology
- Sociology
- Questioned Documents
- Trace Evidence and Explosives

For Abstracts Submission: <https://scientificfederation.com/forensic-science-2019/abstract-submission.php>

Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

## Glimpses of Previous Conferences

## *About Berlin*

Berlin, the German capital, is renowned for its exceptional variety of attractions, its flourishing cultural scene and a way of life that's both fast-paced and relaxed.

Contrasts between historical buildings and modern architecture, between the traditional and the modern are what set the city apart from the rest. The sights of Berlin – from the Brandenburg Gate to the Federal Chancellery – tell the story of an entire nation.

Nowadays, people look to Berlin for the latest trends in lifestyle, music and art. Inspired by this outpouring of creativity, growing numbers of artists are arriving in the city from around the world, making it one of Europe's most exciting destinations.

A feature of Berlin, aside from its exuberance, is the way it continuously reinvents itself.

Berlin also has a relaxed vibe and lots of open spaces for a breath of fresh air. No city in Germany is greener than Berlin with its forests, lakes and sprawling parks.

### *Important Dates*

Abstract Submission Opens: June 18, 2018

Registration Opens: June 18, 2018

Early Bird Registration: October 31, 2018

On Spot Registration: June 03, 2019

### *Venue*

Berlin, Germany
