## Welcome Message

Dear All,

Scientific Federation is pleased to announce 3rd World Congress and Expo on Traditional and Alternative Medicine (Traditional Medicine-2019). We are delighted to welcome all the delegates and the guests to join this three day event during June 06-08 in Berlin, Germany. Traditional medicine also known as indigenous or folk medicine, comprises medical aspects of traditional knowledge that developed over generations within various societies before the era of modern medicine. The World Health Organization defines traditional medicine as "the sum total of the knowledge, skills, and practices based on the theories, beliefs, and experiences indigenous to different cultures, whether explicable or not, used in the maintenance of health as well as in the prevention, diagnosis, improvement or treatment of physical and mental illness.

**We look forward to seeing you in Berlin, Germany ...!!!**
