2019**

3rd Global Summit on

# **Pediatrics & Neonatology**

June 17-18, 2019 | London, UK

**Theme:**

**Advancements and Breakthroughs in the Fields  
of Pediatrics Research and Child Health**

Dear All,

Scientific federation welcomes you to attend the 3rd Global Summit On Pediatrics & Neonatology which is going to be held in London, UK during June 17-18, 2019.

We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Pediatrics & Neonatology.

GSPN-2019 anticipates more than 300 participants around the globe with thought provoking keynote lectures, Oral Presentations and Workshops, and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

This will bring together world leaders in their respective fields in the fascinating environment of London, UK. GSPN-2019 Conference is to explore on Current Issues of Recent Advancements in Pediatrics & Neonatology. The aim of the Pediatrics-2019 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists by bringing together again the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Pediatrics & Neonatology with colleagues from different countries and other parts of UK.

## ○ Conference Objectives

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Pediatrics and Neonatology.
- To identify research and practice based innovations in optimizing Pediatrics and Neonatology research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Global Strategy on Pediatrics & Neonatology research and development reforms.

**We are looking forward to seeing you at GSPN -2019 in London, UK...!!!**

**Best Regards  
GSPN- 2019**

## ○ Organizing Committee Members

**Ola Didrik Saugstad**  
University of Oslo  
Norway

**David Levine**  
Mercer University School of  
Medicine Piedmont Columbus  
Regional, USA

**Hugo Staines Orozco**  
Autonomous University of  
Ciudad Juarez Conver  
Mexico

**Jaime Tisnado**  
Virginia Commonwealth  
University, Spain

**Mustafa A M Salih**  
King Saud University, Riyadh  
Saudi Arabia

## ○ Plenary Speakers

**Ola Didrik Saugstad**  
University of Oslo  
Norway

**David Levine**  
Mercer University School of  
Medicine Piedmont Columbus  
Regional, USA

**Hugo Staines Orozco**  
Autonomous University of  
Ciudad Juarez Conver  
Mexico

## ○ Keynote Speakers

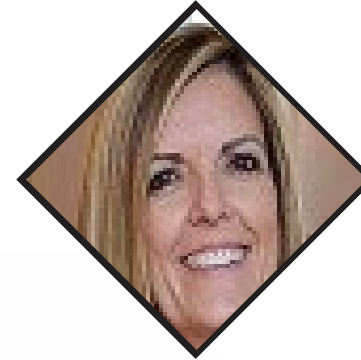

**Lakshmi Katikaneni**  
University of South Carolina  
USA

**Jaime Tisnado**  
Virginia Commonwealth  
University, Spain

**Rachael Buck**  
Abbott Nutrition R&D, Abbott  
Laboratories, Columbus, USA

**Brenda Hussey-Gardner**  
University of Maryland  
School of Medicine, USA

**Shahana Choudhury**  
Meharry Medical College  
USA

## ○ About Venue

**London** is the biggest city in Western Europe, and the world's largest financial centre. The population of London is 8.63 million. Most people in London are British. However, London also has many immigrants. These people come from many different countries. They speak many different languages and have different religions and cultures. There are also many people from different countries who stay in London on business. Many people visit London as tourists. London has amazing places to view the iconic skyline along the river, watch in a panoramic view of London from up high at locations such as View from The Shard or the London Eye and it can carry 800 People at a time.

London is home to some of the best museums and galleries in all over the world. Visit Spicy Restaurants like Michelin-starred Restaurants, Traditional British Restaurants and Shop in Europe's largest urban shopping centre at Westfield Stratford Then Visit the British Museum, Tate Modern, Natural History Museum or the Science Museum where you can browse the permanent collections at no cost. It is home to beautiful Royal Parks, Hyde Park and Richmond Park, Hampstead Heath Park, with amazing views over the city and also visit the London's peaceful and cool outdoor places such as Royal Botanical Gardens, Kew. Take a Journey with River bus services and River tours are great and best ways to beat the traffic and enjoy wonderful views As well as don't forget London's canals, such as Regent's Canal and Little Venice.
