

## Scientific Program

7<sup>th</sup> World Congress on

# Nursing & Healthcare

June 17-18, 2019 | London, UK

## Exhibitor

### *Anatomage*

Anatomage is a leading medical device company driving innovation in medical education and healthcare industries. The Anatomage Table is the most technologically advanced virtual dissection table able to visualize the whole human body in 1:1 life size. With 4 real data frozen cadavers, unique up to 0.2 mm resolution, the most accurate segmentation of the anatomy and thousands of CT, MRI, histology and prosection datasets, the Table will easily compliment and improve your medical and health sciences curricula.

**Scientific Federation**  
Panjagutta, Hyderabad, Telangana-500082, India

## Day 1 June 17, 2019

### Paris Room

08:00-09:00 Registrations

09:00-09:15 Introduction & Opening Words by Honourable Guest

### Plenary Session

09:15-10:00 **Title: Supporting Antipsychotic Deprescribing in People with Dementia with a Person-Centred Care Intervention**

Lynn Chenoweth, University of New South Wales, Australia

10:00-10:45 **Title: Adverse Musculoskeletal Effects of Electronic Health Records Software Use on Health Professionals**

Alan Hedge, Cornell University, USA

### Keynote Session

10:45 - 11:15 **Title: Promoting Emotional Intelligence in Millennial New Graduate Nurses?**

Lorrie Fischer Blich, Magellan Christian Academy, USA

Refreshments Break 11:15-11:30 @ Foyer
