Welcome Message

On behalf of the Organizing and Program Committees we take great pleasure in welcoming academic scientists, researchers, research scholars, students and experts of application fields to Las Vegas, USA for the 2nd edition of Medicine and Medical Science conference to foster the progress in the field by contributing with your expertise to what promises to be a very comprehensive and exciting meeting, and to enjoy the immense unique artistic heritage and wonderful landscape of USA.

2nd World Congress on Medicine and Medical Science (WCMMS-2019), which will be held during July 08-09, 2019 at Las Vegas, USA is now an established event, attracting global participant's intent on sharing, exchanging and exploring new avenues of Medicine and Medical Science and related research and latest developments. The event will have 5-6 world level (Highly cited class) Plenary speakers, established Keynote speakers, active Invited speakers and fresh contributed speakers. In addition, variety of poster presentations along with workshops and special sessions would be interested in audience.

About Conference

The aim of the WCMMS-2019 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together again the world class researchers, international communities and industrial heads to discuss the latest developments and innovations in the fields of Medicine and Medical Science.

We sincerely hope that WCMMS-2019 serves as an international platform for meeting researchers from around the world, widen professional contact and create new opportunities, including establishing new collaborations.

02

Don't miss to be a part of WCMMS – 2019...!

**Best Regards
WCMMS-2019
