Welcome Message

Dear All,
Welcome...!!!

Scientific federation welcomes you to attend the 2nd International conference and Expo on Agriculture and Horticulture which is going to be held in Prague, Czech Republic during August 12-13, 2019.

We cordially invite all the participants who are interested in sharing their knowledge and research in the area of Agriculture and Horticulture.

ICEAH-2019 anticipates more than 300 participants around the globe with thought provoking keynote lectures, Oral Presentations and Poster Presentations, and Poster Presentations. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists.

This will bring together world leaders in their respective fields in the fascinating environment of Prague, Czech Republic. ICEAH -2019 Conference is to explore on Current Issues of Recent Advancements in Agriculture and Horticulture. The aim of the ICEAH-2019 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists by bringing together again the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Agriculture and Horticulture with colleagues from different countries and other parts of Czech Republic.
