

2nd Global Summit on **PHYSICS**

September 26-27, 2019 | Paris, France

Important Dates

Abstract Submission Opens: October 1, 2018

Registration Opens: October 1, 2018

Early Bird Registration Deadline: April 26, 2019

Abstract submission Deadline: August 16, 2019

Standard Registration Deadline: August 19, 2019

Theme:
**Innovative Practices and
Novel Ideas in Diverse Domains
of Science, Technology and
Interdisciplinary Fields**

Why to Attend?

Physics 2019 conference provides a global platform for exchanging ideas and makes you updated about the latest innovations in fields of Physics. It's a great and rare Opportunity to attend the Presentations delivered by Eminent Scientists and Researchers from all over the world at one platform. One of the easy ways for Global exploration of your research works.

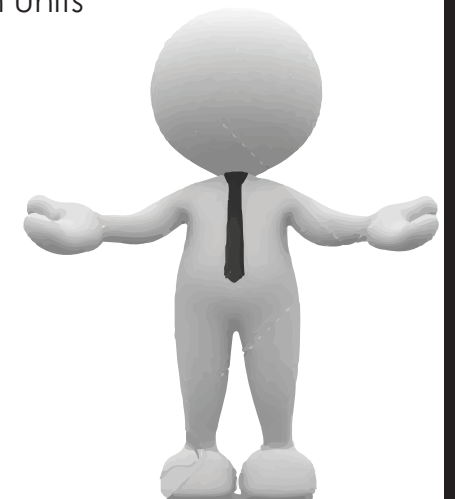

Who Can Attend?

Physics 2019 brings together individuals who have an interest in different fields of Physics like Astronomy, Aerospace, Nuclear and Quantum Engineering, Cosmology, Space Research, Optics and many more interdisciplinary fields.

Physics 2019 expecting attendees from,

- Professors, Students, Researchers and Technical Staff from all disciplines of Physics related Departments from all recognized Universities/Colleges/ Laboratories all over the World
- Scientists and Students from Engineering and Technology (E&T)
- Delegates from Physical Science Associations and Societies
- Delegates from Solar, Thermal, Hydro, Wind Power and Energy related Industries and Power Generation Units
- Directors of Companies
- Managers & Business Intelligence Experts
- Under-Graduate and Graduate Research Students
- Advertising and Promotion Agency Executives

**ATTEND/PARTICIPATE | PRESENT YOUR WORK | SPREAD/GAIN KNOWLEDGE |
OBTAIN FEEDBACK | GET KNOWN GLOBALLY**

Importance of Physics 2019

Physics 2019 aims to expand the impact and enhances the stature of the Physical Sciences. It conducts a wide range of Sessions on tracks which provides the Participants and all the attendees with an opportunity to extend their information and research work in the respective disciplines and interact with professionals in the field of Physics. The agenda of the conference highlights new and advanced science and current topics with interesting technical Sessions, Symposia/Workshops, Plenary Sessions, Keynote Sessions, Young Researchers Forum and Poster Sessions.

Abstract Submission Tracks

- Astronomy and Astro Particle Physics
- Atomic, Nuclear and Plasma Physics
- Optics and Photonics
- Classical and Continuum Physics
- Condensed Matter Physics
- Quantum Science and Technology
- Econophysics
- High Energy and Particle Physics
- Medical Physics and Biophysics
- Mathematical and Molecular Physics
- Solid State Physics
- Cosmology
- Meteorology and Aerodynamics
- Nano Engineering and Technology
- Seismology
- Material Science and Engineering
- Electro-Magnetism, Magnetic Materials and its applications
- The Solar System - Physics and Universe
- Geophysics and Social Physics
- Gravitational Physics
