2nd Global summit on
**Occupational Health &
Safety**

October 11-12, 2019 | Dubai, UAE

Theme:

**Explore New Dimensions of
Occupational Health &
Public Safety**

GSOHS-2019

OSH or as it is commonly known as the workplace health and safety (WHS) or occupational health and safety (OHS) was enacted by the Congress to help all employers and their workers decrease job accidents, injuries, medical illnesses and death. Effective health and safety programs involve workers in developing WHS policies and procedures.

Why attend?

GSOHS-2019 provide an opportunity to share knowledge, expertise along with unparalleled networking opportunities between a large number of medical professionals like Directors, Heads, Deans, Professors, Scientists, Researchers Founders and Employees of the related Medical universities, Associations, Organizations, Hospitals, Nurses and Young researchers working in the field of Occupational Health and related fields. This conference mainly focuses on the doctors and their contribution to the development of Health care and Health techniques.

Benefits of attending

- Accepted abstracts will be published in supporting Journals.
- Global networking: In transferring and exchanging Ideas.
- A Unique Opportunity for Advertisers and Sponsors at this International event.
- Networking for future collaborations.
- Scifed membership card holder gets 10% abatement on the registration fees for the next annual conference.
- The focus and energy of Like-Minded Individuals.
- The Serendipity of the Random Workshop.
- Meet Experts & Influencers Face to Face.

About Venue

Reflecting the expectations of a world-class capital city, Fairmont Dubai is proud to offer professional meeting facilities in Dubai supported by a comprehensive array of professional and state-of-the-art services. Our event planners offer an expert's knowledge in planning events that are unparalleled successes.

Dubai is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is Atlantis, The Palm, a resort with water and marine-animal parks.
