8th World Congress on
Nursing and Healthcare
November 21-22, 2019 | Dubai, UAE

Theme:

**Role of Nurses in increasing
the value of Healthcare and
Improvements in Patient Safety**

Nursing-Healthcare-2019

On behalf of our organizing committee we take an enormous pleasure in inviting you to attend the 8th World Congress on Nursing and Healthcare in November 21-22, 2019 at Dubai, UAE. The Conference is designed to facilitate the sharing of knowledge and experience of researchers, young inspired scientists, academicians, and industrialists education worldwide. Nursing-Healthcare-2019 will continue this philosophy by encouraging the sharing of research and practice in Nursing and Health care as it impacts on the learning experience of students and qualified practitioners and social care needs, and safety, of the individuals and communities it serves worldwide.

With the theme “Role of Nurses in increasing the value of Healthcare and Improvements in Patient Safety”, Nursing-Healthcare-2019 Program will focus on currently employed technologies, disruptive innovations and the application of recent progress and evidence-based data in nursing education, practice, research and leadership. In this Two –day’s event, we will have ample opportunities to chat, learn, share and collaborate with experts from all over the globe.

Why attend?

Nursing conferences allow nurses of all levels of experience to participate in an area of career and education growth that is not easily found within the structure of the workplace.

Learn and explore the current trends, recent technologies, and innovations in Nursing and healthcare. Built your own network with eminent people. Find like-minded make collaborations with researchers, business professionals, Entrepreneurs, meet the people in one event and save your precious time.

Benefits of attending

- Expand your network of contacts in the nursing field from all over the world.

- Physical presence and meet the experts in the nursing and healthcare field from all over the World.
- Make a real new business meet the entrepreneurs and business delegates.
- Collaborate with an eminent scientist, young researchers and with dynamic students.

Nursing-Healthcare-2019 expecting attendees from

Nurses, Health Care Professionals, Professors, Researchers, Students and Technical Staff from the field of nursing, Delegates from various Healthcare industries.

Who can attend?

The conference experience is for everyone involved in the delivery, development of Nursing Care, as well as those who actively involved in participating in educational programmes. The conference particularly welcomes contribution from faculty, Director of Nursing, Midwives, Nurse Practitioner, Nurse Researcher, Nursing Clinical Director and Registered nurses.

Conference Give Nurses the Opportunity to:

1. Explore new information about their area of specialty through presentations made by speakers, or through the study of abstracts presented at the conference.
2. Be on the cutting edge of new and often yet-unreleased information concerning their area of practice.
3. Meet and discuss ideas with the authors and presenters directly, generating a real-time forum in which conversation and debate can flourish.
4. Discover a different area of practice that piques their interest and may lead to a career change.
5. Accumulate continuing education units.
6. See a larger world view of the profession. Sometimes we see ourselves solely in the context of the hospital and community in which we practice, and don't realize their larger impact.
7. Enhance the nurse's self-image within the hospital hierarchy.

About Venue

Reflecting the expectations of a world-class capital city, Fairmont Dubai is proud to offer professional meeting facilities in Dubai supported by a comprehensive array of professional and state-of-the-art services. Our event planners offer an expert's knowledge in planning events that are unparalleled successes.

Dubai is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is Atlantis, The Palm, a resort with water and marine-animal parks.
