

A photograph of several white wind turbines against a sunset sky, with a dark horizon. The image is partially obscured by geometric shapes in orange, yellow, and dark blue.

Renewable 2019

3rd international Conference
**Renewable & Non Renewable
Energy Sources**

November 04-05, 2019 | Kuala Lumpur, Malaysia

THEME:

Exploring the Innovative Research at
Interface of Renewable and
Non-Renewable Energy

<https://scientificfederation.com/renewable-energy-2019/>

Welcome Message

Dear All,
Welcome...!!!

Scientific Federation welcomes you to attend the "3rdth international conference Renewable & Non Renewable Energy (Renewable-2019)" which is slated to hold on 4th Nov 2019 - 5th Nov 2019 at Kuala Lumpur, Malaysia. It's a great and rare opportunity to attend the Presentations delivered by Eminent Scientists and Researchers from all over the world at one platform. One of the easy ways for global exploration of your research works. This includes Keynote presentations, Oral talks, Poster presentations, Workshop/Symposium and Exhibitions.

(Renewable-2019) will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry.

3rdth international conference Renewable & Non Renewable Energy is anticipating participants from 40 and more countries across the globe and the two-days conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral Presentations. This program provides two days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

02

Conference Objectives:

- To facilitate opportunities for networking, collaboration, and exchange of ideas with internationally renowned leaders in 3rdth international conference Renewable & Non Renewable Energy research and development.
- To identify research and practice-based innovations in optimizing Renewable & Non Renewable Energy s research and development.
- To debate gaps and priorities for sustainable development in optimizing Renewable & Non Renewable Energy research and development.

We look forward to hosting you at Kuala Lumpur, Malaysia in November, 2019...!!!

**Best Regards
Renewable-2019
Organizing Committee**

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Dementia and Renewable-Energy which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Renewable-Energy-2019.

Conference Sessions:

- ◆ Renewable Energy Technology
- ◆ Sustainable and Renewable Fuels
- ◆ Energy Management in Power Sector
- ◆ Energy and Environment
- ◆ Computational Techniques in Energy
- ◆ Solar electricity and PV applications
- ◆ Hydroelectric, geothermal, tides and waves
- ◆ Integrated energy systems
- ◆ Waste Recycling/Management
- ◆ Advanced Energy Technologies
- ◆ Nuclear Energy Application: Power Generation
- ◆ Nuclear Materials and Fuels
- ◆ Bio-diesel fuels
- ◆ Energy storage
- ◆ Business opportunities in renewable energy development
- ◆ Biogas and biomass
- ◆ Hybrid energy systems
- ◆ Wind energy
- ◆ Nanotechnology applications to RE
- ◆ Environment impact assessment

Don't miss to be a part of Renewable-2019....!!!!

For more info:

For Abstracts Submission:

<https://scientificfederation.com/renewable-energy-2019/abstract-submission.php>

For Registration visit:

<https://scientificfederation.com/renewable-energy-2019/registration.php>

Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Important Dates

Abstract submission opens: December 15, 2018

Registration opens: February 01, 2019

Standard registration: October 15, 2019

Abstract submission deadline: September 26, 2019

On spot registration: November 04, 2019

Venue

**Kuala Lumpur
Malaysia**

Organizing Committee Members

Christopher Koroneos
University of Western Macedonia
Kozani, Florina

Bin Zhu
Loughborough University
Loughborough, United Kingdom

Bin Yang
Washington State University
USA

Ramesh K Agarwal
Washington University in
St.Louis, Missouri, USA

Peter Novak
University of Massachusetts
Medical School
North Worcester

Lala Behari Sukla
Siksha O Anusandhan University
Bhubaneswar, India

G.N.Tiwari
University of Ulster
UK

AN Liang
University of Science and
Technology (HKUST)
Hong Kong

Adango Miadonye
Cape Breton University
Sydney

Nabil Derbel
University of Sfax Sakiet Ezzite
Tunisia

Muhammad Afzal,
KTH Royal Institute of
Technology Stockholm
Sweden

Arunkumar Jayakumar
Auckland University of Technology
New Zealand

About Venue

Kuala Lumpur is the cultural, financial and economic centre of Malaysia and home to the Parliament of Malaysia, and the official residence of the Malaysian King (Yang di-Pertuan Agong), the Istana Negara. The city once held the headquarters of the executive and judicial branches of the federal government as well, but they were moved to Putrajaya in early 1999.[8] Some sections of the judiciary still remain in Kuala Lumpur.

Kuala Lumpur is one of three Federal Territories of Malaysia,[9] enclaved within the state of Selangor, on the central west coast of Peninsular Malaysia.[10] Since the 1990s, the city has played host to many international sporting, political and cultural events including the 1998 Commonwealth Games. Kuala Lumpur has undergone rapid development in recent decades. It is home to the tallest twin buildings in the world, the Petronas Twin Towers, which have become an iconic symbol of Malaysia's futuristic development.
