Invitation

Mark Your Calendars for Biomaterials-2020

It is our pleasure to welcome you to the 2nd Global Congress & Expo on Biomaterials. The Biomaterials 2020 Conference will be held May 11-12, 2020 in beautiful Manchester City at UK.

The Biomaterials 2020 includes 40+ plenary lectures, dedicated poster sessions and interactive elements. The medium-large size of the conference makes it an excellent forum to share new data, and to network with colleagues and speakers

The Biomaterials 2020 conference runs for 2 days, from Monday 11 to Tuesday 12 May 2020 and it will deliver an outstanding scientific program, meaningful networking opportunities and memorable cultural experiences to delegates from 60+ Countries.

Meeting Objectives Objectives Diabetes-2020

- Biomedical ,biomedical engineering scientists, faculty and students
 - Material science scientists, faculty and students
 - Nanotechnology scientists, faculty and students
 - 3 D Bio printing companies
 - Medical devices manufacturing companies
 - Biomedical Business Entrepreneurs
 - Companies related to biomaterials
 - Medical Colleges
 - Companies related to Biodegradable materials industry
- ****Event capacity is limited, so sign up soon**

Why with us?

Scientific Federation Conferences is global covering Life Sciences, Physical Science & Engineering, Social Sciences and Health Sciences Conferences. We are currently focused solely on Medical related Events, Conferences and Innovations. Our main emphasis is on managing meetings, events and conferences for the scientific research and medical fields. We have brought together a multidisciplinary team, composed of scientist from various reputed organizations and universities across the globe.

The Company of Scientific Federation Conferences is a self-funded dedicated to supporting and inspiring the Health care community. We've built a wealth of knowledge in medical and scientific meeting planning and understand how to meet the complicated and specialized requirements scientific research events often demand. We bring together specialized knowledge on handling conferences with latest technology and effective communication to ensure excellence. We are committed to ensure that the changing demands of health care system are understood and the best results are delivered.

Other Salient Features Comprehend

- Publishing of the accepted abstracts in our inordinately indexed journals
- Each of which will be labeled with a Digital Object Identification Number (DOI)
- Distinct abstract and Speaker page creation, which profusely aid in citing the research and researcher in the top search engines.
- Career Guidance Workshops for students and early career researchers

About Destination Manchester, UK

As one of the most vibrant and cosmopolitan cities in the UK, there's always something on in Manchester. With a rolling calendar of events, exhibitions, concerts, markets and theatre you'll never be stuck for world-class entertainment. Venues big and small - from the Manchester Arena, Victoria Warehouse and the Bridgewater Hall to The Deaf Institute, Band on the Wall and Albert Hall - fill the city with music and performance every night.

Be absorbed by the beautiful attractions such as the gothic architecture at John Rylands Library and Manchester Cathedral; take in fine art at Manchester Art Gallery and the Whitworth; discover history, old and new, at Manchester Museum and the Imperial War Museum North; see contemporary arts redefined at HOME; or even learn to ski at Chill Factor.

Of course, Manchester is synonymous with football; it's written in our DNA. So make some time to make a tour of the grounds of Manchester United and Manchester City, and discover the social history of the beautiful game at the National Football Museum. You can guarantee a ticket to any Manchester United home game with a Matchday VIP Experience.

For those who enjoy getting active, a short journey from the city centre provides access to beautiful walks within Greater Manchester, such as Hollingworth Lake, Heaton Park, Sale Water Park and Haigh Hall.

And if you need to keep the kids entertained, there's plenty on offer. The Museum of Science and Industry, Play Factor and LEGOLAND Discovery Centre are great fun for all the family.

Manchester is renowned for its entertainment, with a plethora of cinemas, theatre and legendary clubs for great night-time amusement. There are many opportunities to go sightseeing in Greater Manchester, with a number of walking tours, bus and taxi tours such as the hop-on hop-off Sightseeing Manchester.

As the Gateway to the North, it's easy to expand your Manchester visit even further with a trip to the beautiful countryside, including the Lake District and the Peak District, and cosmopolitan cities such as Chester, Leeds, Liverpool, Newcastle and York.
