Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes Through quality, safety and staffing.

Organizing Committee Members

Ahmed Gaber Shidied Ibrahim

Fayoum University, Faculty of Science,
Geology department, Egypt

Vikram Kumar

Gaya College of Engineering, India

Aliyev Zakir Husein

Institute of Erosion and Irrigation at
the Institute for Soil Science and
Agrochemistry, Azerbaijan

Yuanwen TENG

Zhejiang University, Hangzhou

Akas Pinaringan Sujalu

Universitas 17 Agustus 1945 Samarinda,
Indonesia

Bekir Erol AK

Harran University, Turkey

Hamid El Bilali

CIHEAM-Mediterranean Agronomic Institute
of Bari (IAMB), Italy

Mohamed A. El-Esawi

Tanta University, Egypt

R R Sharma

Indian Agricultural Research Institute,
India

Yasin ÖZDEMİR

Atatürk Central Horticultural Research
Institute, Turkey

Haleama Al Sabbah

Zayed University, Dubai

Waleed Abobatta

Horticulture Research Institute,
Agriculture Research Center,
Egypt

Shirin Ghatrehsamani

University of Florida, Institute of Food
and Agricultural Sciences, USA

Thakur Bahadur Singh Rajput

Indian Agricultural Research Institute,
New Delhi

Vikas Nanda

Sant Longowal Institute of Engineering
and Technology, Longowal, India

Sponsors and Exhibitors Information

Scientific Federation Meetings are one of the leading international conferences around the globe. Game-changing developments, such as the deployment of new domain extensions, and the emergence of disruptive and creative business models are enabled by decisions taken at this platform and it's not just for techies! Representatives from the global business community, governments, industry insiders, and many other contributors whose work affects the Federation of the global Internet will attend. Scientific Federation Sponsorship opens the door to this select and sophisticated audience. We encourage you to take advantage of this unique opportunity to participate as a sponsor. Choose a package that meets your particular marketing objectives, or talk with our staff about creating a marketing program that is uniquely yours.

Adding value to the Scientific Federation experience while integrating your brand's products will not only showcase the authenticity of the brand, but will result in great, objective 3rd party recognition that will move the influencer needle. This is more than a marketing play. It's about creating experiences that will resonate long After your brand strikes its activations.

When your brand purchases a Sponsorship package, it is committing itself to delivering experiential relevance and value to thousands of industry influencers including press, creative's and their millions of collective followers, who have come to expect nothing less from Scientific Federation and its partners.

Through activations, product integration, social media and logo placement, your brand has the tools to educate, entertain and engage a captive audience on what it is doing to make a difference in the global Scientific Community. So put your best foot forward. Visualize this partnership through the eyes of our attendees...!!!.

About Venue

Poland is an Eastern Europe country on the Baltic Sea known for its medieval architecture. Poland has a population of 38.5 million making it the 34th most populous country in the world with Warsaw as its capital and largest city. There are 14 heritage sites inscribed on the UNESCO World Heritage and 54 Historical Monuments and many objects of cultural heritage in Poland. Poland was ranked high in terms of human development, as well as gradually improving economic freedom. Poland is the fifth largest economy in the European Union and among the fastest rising economic states in the world. Poland is one of the safest countries in the world to live in.

Warsaw is the sprawling capital of Poland. Its widely varied architecture reflects the city's long, turbulent history, from Gothic churches and neoclassical palaces to Soviet-era blocks and modern skyscrapers. The city's Old Town was restored after heavy damage during WWII. Its heart is Market Square, with pastel buildings and open-air cafes.

The city is a significant center of research and development, Business process outsourcing, Information technology outsourcing, as well as of the Polish media industry. The Warsaw Stock Exchange is the largest and most important in Central and Eastern Europe. Frontex, the European Union agency for external border security as well as ODIHR, one of the principal institutions of the Organization for Security and Cooperation in Europe have their headquarters in Warsaw. Together with Frankfurt, London and Paris, Warsaw is also one of the cities with the highest number of skyscrapers in the European Union.
