About Miami

Miami is one of the state's – and the world's – most popular vacation spots. Miami is an international city at Florida's southeastern tip. Metropolitan Miami is the major tourism hub in the American South. Miami is a major center of commerce, finance, and boasts a strong international business community. The city also has many public parks with a profusion of trees and flowers. Some of these have facilities for camping and various sports activities. Tourists -over 10 million per year- generate more than 60% of the Miami area's economic activity.
