Welcome Message

Dear All,

Scientific Federation invites all the participants from all over the world to attend **International Conference on Ophthalmology** during **November 20-22, 2017 in Las Vegas, USA** which includes Keynote presentations, Oral presentations, Poster presentations and Exhibitions.

ICO-2017 will also provide the excellent opportunity to meet experts, exchange information and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry. The main theme of the conference is "Enlightening Clinical and Academic Innovations in Ophthalmology".

ICO-2017 is anticipating participants from 40 and more countries across the globe and the three day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides three days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in health and social care.
- To identify research and practice-based innovations in optimizing health and social care.
- To identify opportunities for evidence-based practice in health and social care.
- To examine strategies for transformational change in health and social care.

We look forward to seeing you in Las Vegas in November 2017...!!!

Best Regards

Ophthalmology-2017 Organizing Committee

Glimpses of Previous Conferences

About Las Vegas

Las Vegas, officially the City of Las Vegas and often known simply as Vegas, is the 28th-most populated city in the United States, the most populated city in the state of Nevada, and the county seat of Clark County. The city anchors the Las Vegas Valley metropolitan area and is the largest city within the greater Mojave Desert. Las Vegas is an internationally renowned major resort city known primarily for its gambling, shopping, fine dining, entertainment, and nightlife. It is the leading financial, commercial, and cultural center for Nevada.

The city bills itself as The Entertainment Capital of the World, and is famous for its mega casino-hotels and associated activities. It is a top three destination in the United States for business conventions and a global leader in the hospitality industry, claiming more AAA Five Diamond hotels than any city in the world. Today, Las Vegas annually ranks as one of the world's most visited tourist destinations. The city's tolerance for numerous forms of adult entertainment earned it the title of Sin City, and has made Las Vegas a popular setting for literature, films, television programs, and music videos.
