Welcome Message

Dear All,

Gastroenterology invites all the participants from all over the world to attend **International Congress on Gastroenterology & Hepatology** during **October 09-11, 2017 in Chicago, USA** which includes Keynote presentations, Oral presentations, Poster presentations and Exhibitions.

ICGH-2017 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry. The main theme of the conference is *"Recent Developments in the Field of Gastroenterology & Hepatology"*.

ICGH-2017 is anticipating participants from 40 and more countries across the globe and the three day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides three days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Gastroenterology & Hepatology and Immune systems.
- To identify research and practice-based innovations in optimizing Gastroenterology & Hepatology and Immune systems.
- To debate gaps and priorities for sustainable development in Gastroenterology & Hepatology and Immune systems.
- Establishing their academic and professional relationships.
- Improving their morale and confidence of presenting research in an international platform.
- Interacting with expertise in their respective departments.
- Clearing your inhibitions of adjusting to the foreign environment.
- Providing a holistic experience of academic tourism.

We look forward to seeing you in Chicago, USA in October, 2017...!!!

Best Regards

Gastroenterology & Hepatology Organizing Committee

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of Gastroenterology & Hepatology which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Gastroenterology & Hepatology -2017. We request you to submit a brief idea or abstract of your talk/presentation/symposium/workshop according to your session interest.

About Chicago

Chicago, on Lake Michigan in Illinois, is among the largest cities in the U.S. Famed for its bold architecture, it has a skyline punctuated by skyscrapers such as the iconic John Hancock Centre, 1,451-ft. Willis Tower (formerly the Sears Tower) and the neo-Gothic Tribune Tower. The city is also renowned for its museums, including the Art Institute of Chicago with its noted Impressionist and Post-Impressionist works.
