

World Congress on

Mechanical and Mechatronics Engineering

April 16-17, 2018 Dubai, UAE

Theme: Contemporary Advances in Mechanical and Mechatronics Engineering

Scientific Federation

T: +91-779-979-0001 / +91-779-979-0002

Email: contact@scientificfederation.com | Web: scientificfederation.com

Welcome Message

Dear All,

Mechanical and Mechatronics Engineering Conference welcomes you to **International Summit on Mechanical and Mechatronics Engineering** during **April 16-17, 2018 at Dubai, UAE** which will bring together world leaders in their respective fields in the fascinating environment of Dubai, UAE.. Mechanical and Mechatronics Engineering Conference is to explore Mechanical Systems, Kinematics, Thermo Dynamics, Structural Analysis, Mechatronics, Metallurgical Engineering, Solid Mechanics and Fluid Mechanics, Hydraulics, Computational Fluid Dynamics and Engineering Applications, and Optical Engineering, Materials Science and Sensing and Control Systems, This event gives a chance for all the professionals to gain and share information on Mechanical and Mechatronics Engineering issues and research. We do expect this conference will be an opportunity to meet and gather with colleagues from different countries and other parts of Dubai (UAE)

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Mechanical and Mechatronics Engineering department
- To identify research and practice-based innovations in optimizing Mechanical and Mechatronics Engineering issues.
- To identify opportunities for evidence-based practice in Mechanical and Mechatronics Engineering
- To examine strategies for transformational change in Mechanical and Mechatronics Engineering

We look forward to seeing you in Dubai April 2018...!!!

Best Regards

Mechanical and Mechatronics Engineering Organizing Committee

Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the fields of Mechanical and Mechatronics Engineering which brings well versed scrutinizers at one place.

- Mechanical Systems
- Kinematics
- Thermo Dynamics
- Structural Analysis
- Mechatronics
- Metallurgical Engineering
- Solid Mechanics
- Fluid Mechanics
- Hydraulics
- Computational Fluid Dynamics
- Optical Engineering
- Materials Science
- Sensing and Control Systems
- Automotive Engineering
- Mechatronics systems
- Medical Mechatronic
- Microcontrollers
- M&E Engineering
- Cybernetics
- Mechanical Engineering Technology
- Electro mechanics

For Abstracts Submission: <http://scientificfederation.com/mechanical-engineering-2018/abstract-submission.php>
Conference sessions will bring you the latest strategies, research, and best practices to improve outcomes through quality, safety and staffing.

Organizing Committee Members

Alexander L. Kalamkarov
Dalhousie University, Canada

Nader Asnafi
Orebro university, Sweden

Somashekhar S. Hiremath
Indian institute of Technology Madras,
India

Mohammed Ali
Aligarh Muslim University, India

Hamidzadeh, Hamid
Tennessee State University, USA

Metin U. Salamci
Gazi university, Turkey

Qi Hong-Sheng
University of Bradford, UK

Haitham Bahaidarah
King Fahd University, Saudi Arabia

Rita Khanna
The University of New South Wales,
Australia

Yu-Lung
National Cheng Kung University,
Taiwan

About Dubai

Dubai is the most populous city in the United Arab Emirates. It is extremely well known for its warm hospitality and rich cultural heritage, and the Emirati people are welcoming and generous in their approach to visitors. With year-round sunshine, intriguing deserts, beautiful beaches, luxurious hotels and shopping malls, fascinating heritage attractions and a thriving business community, Dubai receives millions of leisure and business visitors each year from around the world.

Highlights of Dubai -A good place to start exploring the history and heritage of Dubai is the Dubai Museum: it is located inside Al Fahidi Fort, one of Dubai's oldest buildings dating back to 1787. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is Atlantis, The Palm, a resort with water and marine-animal parks.

Important Dates

Abstract Submission Opens: May 15, 2017

Registration opens: May 19, 2017

Early bird registration: July 27, 2017

On spot registration: July 27, 2017

Venue

Dubai, UAE
