Welcome Message

Dear All,

Scientific Federation invites all the participants from all over the world to attend **3rdWorld Congress & Expo on Oil, Gas & Petroleum Engineering during April 16-17, 2018 at Dubai, UAE** which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

WCEOGPE-2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry.

WCEOGPE-2018 is anticipating participants from 40 and more countries across the globe and the three day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides three days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

Conference Objectives:

- Assemble researchers from diverse scientific and academic settings from around the world to participate in critical debate.
- Promote and advance a body of cognizance with pertinence to Oil, Gas & Petroleum Engineering.
- Facilitate sharing and collaboration between world class researchers.

We look forward to seeing you in Dubai in April, 2018...!!!

Best Regards

Oil, Gas & Petroleum Engineering Organizing Committee

Conference Highlights

About Dubai

Dubai is simply a City of Wonders that is in continuous expansion and development. Iconic Projects like the tallest building in the world, one of the biggest mall in the world, the superb lifestyle characterized by absolute safety and high-level services makes Dubai an ideal location to live in and an extraordinary place to discover in a dedicated holiday or a long layover. A place where tradition and futuristic development harmoniously live together.

Dubai - is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is Atlantis, The Palm, a resort with water and marine-animal parks.
