Welcome Message

Dear All,

Scientific Federation invites all the participants from all over the world to attend **International Meeting on Cosmetology & Trichology** during **April 19-20, 2018 at Dubai, UAE** which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

Cosmetology-2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry. Cosmetology-2018 is anticipating participants from 40 and more countries across the globe and the two day conference will provoke plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides two days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Cosmetology & Trichology research and development.
- To identify research and practice based innovations in optimizing Cosmetology & Trichology development.
- To debate gaps and priorities for sustainable development in optimizing Cosmetology & Trichology research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Cosmetology & Trichology research and development reforms.
- To identify opportunities for evidence-based practice in optimizing Cosmetology & Trichology research and development.

We look forward to seeing you in Dubai in April, 2018...!!!

Best Regards

Cosmetology-2018 Organizing Committee

About Dubai

Dubai is a city in the United Arab Emirates, located within the emirate. The emirate of Dubai is located on the southeast coast of the Persian Gulf and has the largest population in the UAE (2,106,177) and the second-largest land territory by area (4,114 km²) after Abu Dhabi. There are 52 institutions in Dubai that offer higher education programs, and they are grouped into three categories; federal institutions, institutions in the Free Zones and institutions outside the Free Zones. The most popular field of study among students in Dubai is Business (42% of students), followed by Society, Law and Religion (19%). Significant numbers are also studying Engineering (9%), Information Technology (6%) and Media and Design (7%). There are very few students studying Health and Medicine (2%), Education (1%), Natural and Physical Sciences (1%) and Tourism and Hospitality (1%). Around 7% of all students are in Foundation programs that prepare school leavers with necessary skills for university study.

In just few years Dubai has been one of the most important cities in the world. It changed from an ordinary city to an amazing city that everyone wants to visit and enjoy the beautiful places in it. Let's see what is so special about Dubai to be one of the most important cities in the world?

Many people visits Dubai every year not just ordinary people but celebrities and important people too. They come from different countries and places Arab countries and others like England, USA, Australia, South Africa...etc.
