## Welcome Message

Dear All,

Scientific Federation invites all the participants from all over the world to attend **International Hematologists Summit** during **May 21-22, 2018 at Valencia, Spain** which includes Keynote presentations, Oral talks, Poster presentations and Exhibitions.

HIS-2018 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry.

International Hematologists Summit is anticipating participants from 40 and more countries across the globe and the two day conference will provoke Plenary sessions, Keynote speeches, Poster, and Oral presentations. This program provides two days of robust discussions on recent advancements and new strategies for development of new materials for global requirements.

### Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Hematology research and development.
- To identify research and practice based innovations in optimizing Hematology research and development.
- To debate gaps and priorities for sustainable development in optimizing Hematology research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Hematology research reforms.
- To identify opportunities for evidence-based practice in optimizing Hematology research and development.

We look forward to seeing you in Spain in May, 2018...!!!

Best Regards

Hematologists Organizing Committee

## Conference Highlights

The Scientific Federation brings you an immense opportunity to be a part of scientific acceleration to world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for innovations in the field of International Hematologists Summit which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at HIS-2018. We request you to submit a brief idea or abstract of your talk/presentation/symposium/workshop according to your session interest.

- Hematology
- Hematologic Oncology
- Blood Disorders : Diagnosis and Treatments
- Anemia
- Hemostasis
- Coagulopathies
- Leukaemia
- Myeloma
- Myelodysplastic syndromes
- Myeloma Cancer
- Red Blood Cells
- White Blood Cells
- Platelets
- Veterinary Hematology
- Blood Transplantation

### About Valencia

The port city of Valencia lies on Spain's southeastern coast, where the Turia River meets the Mediterranean Sea. It's known for its City of Arts and Sciences, with futuristic structures including a planetarium, an oceanarium and an interactive museum. Valencia also has several beaches, including some within nearby Albufera Park, a wetlands reserve with a lake and walking trails.

### Important Dates

Abstract Submission Opens: May 10, 2017  
Registration opens: May 15, 2017  
Early bird registration: September 25, 2017  
Standard Registration : November 25, 2017  
On spot registration: May 21, 2018

### Venue

Valencia, Spain
