Welcome Message

Dear All,

Diabetes-2018 Conference Welcomes you to **2nd Global Summit on Diabetes and Endocrinology** during **May 24 -25, 2018 in Valencia, Spain** which will bring together world leaders in their respective fields in the fascinating environment of Valencia, Spain, Diabetes Conference is to explore advances in practice, management and education in relation to health disparities. Diabetes makes a significant contribution to the health maintenance, health promotion and well-being of individuals. This event gives a chance for academic and health professionals to gain and share information on Diabetes and research. We do expect this conference will be an opportunity to meet and gather with colleagues from different countries and other parts of Spain.

Conference Objectives:

- To facilitate opportunities for networking, collaboration and exchange of ideas with internationally renowned leaders in Diabetes and Endocrinology research.
- To identify research and practice based innovations in optimizing Diabetes and Endocrinology research and development.
- To debate gaps and priorities for sustainable development in optimizing Diabetes and Endocrinology research and development.
- To discuss and debate the challenges and opportunities in the new era of optimizing Diabetes and Endocrinology research and development reforms.
- To identify opportunities for evidence-based practice in optimizing Diabetes and Endocrinology research and development.

We look forward to seeing you in Valencia, Spain ...!!!

Best Regards

Diabetes and Endocrinology Organizing Committee

Conference Highlights

Glimpses of Previous Conferences

About Valencia

Valencia, the third largest city in Spain, offers a great combination of city, sun and beach, with fantastic Valencia beach villas to choose from, and plenty of cool things to do! One of the most beautiful squares in Valencia is the Plaza de la Reina, or 'Queen's Square' in English, located in the old town. It's a great place to hang out, with plenty of places to eat too. Many would say that a holiday in the sun is incomplete without a visit to the beach. Luckily, the city of Valencia has many beaches along its coastline, several of which are unspoilt and undeveloped places to sit down and chill, and maybe take a dip in the lovely blue sea here. Away from the high street shops, there are a lot more interesting and independent shops dotted around where you can get all manner of things, many with an international flavour. The 'City of Arts and Sciences' in Valencia is widely recommended as a must-see for any first-time visitor to the city.

Important Dates

Abstract Submission Opens: June 01, 2017

Registration opens: June 01, 2017

Early bird registration: August 12, 2017

On spot registration: May 24, 2018

Venue

Valencia, Spain
